AMP Capital extends Investment Specialist team with property appointment

AMP Capital Investors today announced the appointment of Tim Nation to the role of Senior Investment Specialist, Property.

He will join a team of 14 investment specialists across AMP Capital Investors, and provide strategic advice to the investment team and clients on unique property investment opportunities.

Mr Nation comes to AMP Capital Investors from DTZ, where he was most recently Director Capital Markets. He has over 13 years of property experience, gained entirely with DTZ in various countries. Mr Nation has in depth real estate knowledge having started his career in commercial sales and leasing, progressing to advisory and acquisitions, and more recently placement agency and capital raising experience.

During his time working in Australia, New Zealand and the United Kingdom he has maintained close international relationships with investors.

AMP Capital Investors Business Director Client, Product & Marketing Brian Delaney said this appointment reflects AMP Capital's continued focus on building investment capabilities for clients across the Asia Pacific region.

"Tim's property knowledge and experience will provide the team with invaluable insights and help develop more attractive investment opportunities for our clients. I am very pleased to welcome someone with such energy and enthusiasm to the team," Mr Delaney said.

Mr Nation will join AMP Capital Investors on 3 May 2010 and will be based in Sydney.

"I look forward to working with a team of well respected investment professionals and building upon AMP Capital Investors' reputation as a leading specialist investment manager," Mr Nation said.

Investment specialists have the vital role of facilitating information and knowledge between clients, the market and the investment team and help develop attractive investment opportunities for clients.

Mr Nation will report to AMP Capital Investors Business Director, Client, Product & Marketing Brian Delaney.
